

Thinking about solar? Let's talk it through.

Switch Together Office Hours

In this casual virtual event, stop in at any point to ask your questions about solar and learn about SUN's **Switch Together** program, which can save you money on your installation.

Drop in any time during the hour to ask whatever's on your mind. Costs, incentives, financing, installer vetting, whether solar even makes sense for your roof. **No agenda, no sales pitch.**

Hosted on the **1st and 3rd Wednesdays of the month at noon**, from June through October. Bring one quick question or stay for the whole session. Our solar experts are here to help you think it through!
