

# VAPING ORDINANCE FAQ SHEET

## 1. About the Ordinance

**Q** What does the new ordinance do?

**A** Adds vaping/electronic smoking devices to smoking ordinances and updates smoking signage.

## 3. Indoor Limits

**Q** Is vaping indoors allowed?

**A** Vaping is not allowed in any public indoor areas. For example: elevators, retail shops, hospitals and schools.

## 2. Outdoor Limits

**Q** Where is vaping not allowed?

**A** Any place where smoking is currently not allowed. For example: parks, playgrounds, and restaurants.

## 4. Smoking Devices

**Q** Does the ordinance include cigarettes?

**A** Yes. Cigars, cigarettes, electronic smoking devices, and pipes are also included.

## 5. Signage

**Q** Who is required to have new signage?

**A** Any owner, operator, or person in control of an area where smoking/vaping is currently not allowed.

**Ordinance Effective Date  
12.11.2025**

# VAPING ORDINANCE FAQ SIGNAGE SHEET

## 1. Indoor & Outdoor Signs

**Q** Where should signs be posted?

**A** Outdoor signs should be placed conspicuously at main entrances and indoor signs placed conspicuously at each entrance.

## 3. Required Language

**Q** What should the sign say?

**A** Outdoor signage must say, "No Smoking within 15 Feet of Entrance, City of Dallas Ordinance." Indoor signage must say, "No Smoking, City of Dallas Ordinance."

## 2. Symbols

**Q** What symbol is required?

**A** Any universal symbol for no smoking or use of an electronic smoking device can be used.
